

# Beamsley Blooms Hire List, 2020

The items shown on the next few pages have been collected over many years because they were both attractive and useful for displaying flowers or candles. Many of them are vintage or even antique and may therefore not be available in large numbers, though some of them are, so please ask if in doubt!

The prices are for hire of the items. Breakages or losses are chargeable at the hire price x 5.

All measurements are approximate and indicate height unless length is specified. An asterisk indicates that an item is available in an alternative colour. Studio photos by **Phase 2 Photography**
